## Press Release

01 October 2020

### **INTRODUCTION OF A CONTRACTOR FOR THE DIPOMPONG TO MOKURUANYANE ROAD CONSTRUCTION**

Road Agency Limpopo (RAL) jointly with Lephalale Local Municipality introduced Slim Holdings as the contractor for the construction of the Dipompong, Kiti, Motsweding and Mokuruanyane Road on 30 September 2020. The project came to a halt in 2018 due to challenges which have now been addressed.

Speaking on behalf of the Municipality, Acting Mayor, Cllr William Motlokwa, encouraged a good working relationship between the contractor and the community representative in order to ensure a successful completion of the road construction.

The 14km road is expected to be completed within a period of six months. This development will assist in addressing challenges which were experienced on the road during rainy season and also enhance accessibility in to the villages.

Kgoshi Ranare Shongoane welcomed the project and urged both Road Agency Limpopo and the contractor to guard against elements of disruption which may lead to a further delay of the completion of the project which was initially scheduled to have been completed in 2018.
