PUBLIC NOTICE

OPENING OF MUNICIPAL SERVICE ACCOUNT(S) ON OWNERS NAME

Notice is hereby served to the residents of Lephalale Municipality that with effect from 1 July 2024 the Municipality will only allow owners of the properties to open the water and electricity accounts in their names.

The Municipality had in the previous years allowed the tenants to open the accounts in their names, however due to discrepancies experienced with this arrangement, the Municipality has resolved that only the owners of the property will be legible to open the services accounts with the Municipality, ie the owners will get the municipal bill monthly and then privately invoice their tenants for water and electricity consumption as per the lease agreement between the owner and tenant.

The tenants that already have the water and electricity accounts in their names will be allowed to keep their accounts running until they move out / terminate their accounts with the Municipality.

On opening of the water and / or electricity accounts, owners will be required to pay the deposit and the administration fees as per the Municipal tariff list.

Any further information regarding this matter can be directed to Revenue Manager, Mr AE Marope on 014 762 1405.

Your co-operation will be highly appreciated.
