### PUBLIC NOTICE

#### ALLOCATION OF CREDIT / DEBIT BALANCES ON PREPAID ACCOUNTS

This notice serves to inform the Lephalale Municipality residents who were on prepaid electricity, that the Municipality will be allocating the credit / debit balances that remained on their prepaid electricity accounts to the municipal accounts (bills).

The credit or debit balances will reflect on the billing for June 2022.

The following will be the impact of the credit or debit balances on the consumer accounts:

- The **credit** balance, which is the money that consumers had on their prepaid electricity accounts before prepaid system was halted on 1 March 2022, will reduce the outstanding balance on the bills;
- The **debit** balance, which is the money that clients owed on their prepaid account (emanating from emergency connections), will increase the outstanding balance and will need to be settled once-off or through payment arrangement with our Credit Control Office.

Members of the public will be informed duly when the prepaid electricity is restored, and are meanwhile urged to make payment towards their municipal bills on a monthly basis to avoid service disconnections.

Any queries or further information regarding this matter can be directed to Manager: Revenue, Mr AE Marope on 014 762 1405 or [amogelang.marope@lephalale.gov.za](mailto:amogelang.marope@lephalale.gov.za).

Your co-operation will be highly appreciated.
