IDP CONSULTATION SESSION- FOR CLUSTER 1

Lephalale Local Municipality held an Integrated Development Plan (IDP) consultation session on April 14, 2025, at the Mokuruanyane Sports Ground for Cluster 1.

This session focused on the Mokuruanyane Cluster, comprising Wards 05, 08, and 09. The municipality seeks to enhance participatory governance by involving the community and making sure their opinions are considered in development planning.

The main goals of this IDP Consultation session were to foster community involvement by encouraging contributions from all stakeholders in defining the municipality's development path, inclusive planning, and accountable governance.
