

**04 MARCH 2025**

### **LEPHALALE LOCAL MUNICIPALITY STRATEGIC PLANNING SESSION**

The Lephalale Local Municipality concluded the second day of the Municipal Strategic Planning session on Tuesday 04 March 2025.

The session started with teams being divided into four commissions that deliberated and shared best business practices on sound governance, administration and operational, service delivery, economic growth and financial sustainability.

During the session a solid foundation was laid whereby key service delivery priorities were identified which aligns with the objectives of the Municipality that will assist the needs of the community.

The session also provided plans and strategies, by setting goals, which will be implemented and to solidify the municipal commitments and ensure that the plans are both practical and impactful, paving the way for a brighter future for the municipality.
