MUNICIPAL HOSTS THIRD IDP REPRESENTATIVE FORUM

The Lephalale Local Municipality held its third Integrated Development Forum (IDP) on 24 March 2025 at the Mogol Function Hall, marking a significant step in shaping the municipality's future.

Acting Mayor Cllr Ratah Modiba warmly welcomed stakeholders, emphasizing the importance of participation in guiding the municipality toward a brighter future.

During the session newly appointed manager IDP, Mr William Mawela, presented a comprehensive overview of the municipality, highlighting its key priorities, resolutions from strategic planning session, and key performance areas (KPA's) with action plans for implementation.

The gathering serves as a vital platform for community members to stay informed about planned projects in their areas.

This ensures that residents are aware of upcoming developments and can provide valuable input, fostering a sense of ownership and inclusivity.
