

03 SEPTEMBER 2025

MUNICIPAL ROAD AND PAVEMENT REPAIRS

The Municipal Public Works team was actively engaged in restoring infrastructure following recent water pipe repairs within the area on 03 September 2025. One team focused on restoring the paving on Nwamedi Street in Ledibeng subsequent to the successful repair of a burst water pipe.

Simultaneously, another team undertook the restoration of asphalt adjacent to the Shoprite Shopping Centre at Lephalale Crossing. These restoration efforts were essential to ensuring the safety, accessibility, and longevity of the public infrastructure.

The municipality expresses gratitude to residents and motorists for their patience and understanding during the completion of these necessary repairs. Lephalale Local Municipality remained committed to maintaining and enhancing the community's infrastructure for the welfare of all residents.
