OPERATION FIX POTHoles

Cllr Aaron Mokgetle, the Mayor of Lephalale Local Municipality, showcased his dedication to serving the community by working with the Municipal Public Works team on a national holiday [01 May 2025] to repair potholes and maintain roads. This initiative demonstrates the town's commitment to enhancing infrastructure and safeguarding public safety.

The crew has completed repair jobs on multiple roads, such as OR Tambo Street, Swaartrief Street, Hendrick Street, and the intersection of Troupant and Onverwacht Streets. The municipality's continual work on fixing potholes and maintaining roads shows its dedication to enhancing infrastructure.

On May 9, 2025, the Municipal Public Works team was repairing potholes on Herman Street. This is a segment of an ongoing initiative to improve the Municipal road system. In the evening, the team went to Marapong Township to repair potholes on Relebogile Street too.

On 12 May 2025, motorists in Marapong Township were urged to exercise caution while traveling on Relebogile Street as the Public Works team from Lephalale Local Municipality was present to proceed with their efforts in filling potholes and maintaining the cleanliness and condition of the municipal road network. Also, a different team was dispatched to Mohwiliri Street to clean the storm water drainage.
