PUBLIC NOTICE

AWARENESS ON CRIMINALS INTENDING TO SCAM ELECTRICITY CONSUMERS

Notice is hereby served to notify Lephalale residents that there are faceless people pretending to be municipal officials that request residents to pay them R 500.00 to avoid disconnecting their electricity today at 10h00.

The scammers are calling the consumers using cellphone number 082 724 7632, and one of them identifies himself as Mike.

We urge residents to be vigilant and not fall for the scam, and residents are further advised that even in future there will not be any municipal official that would solicit payment from consumers to avoid service disconnection.

All payments due to the Municipality should only be done via the following platforms: municipal bank account (EFT), Easypay or at Cashier's Office and not to any individual account numbers.

The Municipality has not issued any disconnection list this week.

Your co-operation will be highly appreciated.
