WARD COMMITTEE WORKSHOP

WARD COMMITTEE WORKSHOP

Lephalale Local Municipality office of the Speaker, Cllr Grace Marakalala held a refresher workshop for Ward Committee members.

The workshop was to bring together ward committee members from across the municipality to engage in discussions aimed at enhancing local governance and community development.

In her opening remarks Cllr Marakalala, highlighted the importance of the workshop mentioning that ward committees play a crucial role in empowering local communities by strengthening the link and to enhance services between residents and the municipality.

She also added that at local government, ward committees are instrumental in promoting active community, improving service delivery, and driving sustainable development initiatives.

The workshop also provided the members with a platform to exchange improved ways for their monthly reporting by sharing insights, and working on strategies that would assist in addressing challenges.
